Cleveland's Hawaiian Policy Pronounced all Wrong.

CAPT. B. B. DOVENER'S RESOLUTION

Is Passed after Another Entertaining and Instructive Debate—A Large Audience Enjoys one of the Best Sessions the Mock Legislature has yet Held—The State Bank Tax next.

The mock legislature convened in its hall in the Odd Fellows' hall last night at 8 o'clock with Speaker A. R. Campbell in the chair.

Quite a number of the members were absent, but the hall was filled with spectators.

Under the head of unfinished business came up the resolution of 'Hall (Dem.)' thanking John O. Pendleton for his able speech in defense of the Wilson bill, Messrs. Richards (Rep.) and Cowan (Rep.) opposed it on the ground that nobody has read or heard that gentleman's speech on the Wilson bill. He asked permission to have his remarks entered on the record, but the record is silent in regard to his remarks.

Mr. Hart (Dem.) spoke in favor of the resolution, taking the ground that it was immaterial as to his remarks, but as he voted right on the bill, it was safe to presume that he spoke all right. The resolution was lost.

Mr. Hart (Dem.) then took the floor in opposition to the resolution offered by Captain Dovener (Rep.) on January 13, condemning Cleveland's stand on the Hawaiian question. Mr. Hart made a speech bristling with humor and sarcasm that took with the crowd present.

Speaker Campbell at this point called William D. Robertson (Rep.) to the chair. Mr. Cowden took the floor in favor of the resolution. He made a strong speech and brought out many telling points.

Mr. Martin (Dem.) spoke against the resolution. Captain Dovener moved the passage of the resolution, which was carried.

Captain Dovener offered another resolution, to be the special order at the next meeting, condemning the action of the Democrats in Congress in favor of the repeal of the ten per cent tax on state banks.

The legislature then adjourned until next Friday night. The meeting was one of the most enjoyable as well as profitable yet held.

CURRENT SOCIAL EVENTS.

The Linsly Cadets' Ball and Other Affairs

Last Night.

Last evening the Linsly cadets gave a hop in the armory at the institute which would compare favorably with any of its predecessors. The spacious hall was handsomely decorated, and there was a good attendance. The Opera House Orchestra furnished splendid music. The following were the efficient committees in charge: On dancing—G. R. W. Norton, chairman; C. Robb, W. N. Vance. Committee on printing—A. L. Klieves, chairman; M. O. Hart, E. N. Dwight. Committee on refreshments—H. D. G. Reynolds, chairman; B. Nichols, P. N. Gatch.

The 19th of February is the thirtieth anniversary of the K. of P. of this country, and it will be appropriately celebrated by the order all over the United States. In this city the celebration will take the form of a ball at Arion hall, given jointly by Cour de Lion and Bernard Shanley divisions of the United Rank.

Last evening the young ladies of the Calumet club tendered the club members a reception at the club rooms on the South Side. Music was furnished for dancing, and an enjoyable time was had. A light lunch was served at midnight.

Mrs. Laura Moonoy, of Allegheny, who has been the guest of Wheeling friends, returned home yesterday. Her many new made friends will regret to hear of her departure.

The Wheeling Base Ball Club gave a dance at Arion Hall, on the South Side, last night, which was largely attended, and was an all around success.

The first hop given by the ladies' section of the Teutonia Singing Society, Thursday night, was a success beyond anticipation, and other events under the same auspices will no doubt follow.

The pupils of James Stevens Martin will give an entertainment at Odd Fellows' Hall next Tuesday evening. It promises to be a brilliant affair.

The annual masque carnival of the Wheeling Turnverein, at Turner hall, bids fair to eclipse all former ones. It takes place Monday evening. The personnel of the committee would seem to insure its success. The carnival committee is composed of Messrs. Ed. Brandfass, H. E. Schumbr, Joseph Weisgerber, Joseph Kurtz and Ed. Vass, while the following are the reception committee: Louis Hall, William Lobenstein, William Sullivan, Martin Ruggaber, Charles Straub and Charles Miller. The promenade will commence at 8:30 and last until 9:30 p. m., and will be followed by the grand carnival march, with St. Perkins' carnival band as an escort.

The Teutonia Singing Society will give one of its pleasant Sunday evening concerts to-morrow night at Teutonia hall, on South Jacob street.

For the relief and cure of a cold in the head there is more potency in Ely's Cream Balm than in anything else it is possible to prescribe. This preparation has for years past been making a brilliant success as a remedy for cold in the head, catarrh and hay fever. Used in the initial stages of these complaints Cream Balm prevents any serious development of the symptoms, while almost numberless cases are on record of radical cures of chronic catarrh and hay fever after all other treatments have proved of no avail.
